Rev. F. D. Torrey, pastor First M. E. church, New Milford, Conn., says: "Miss Assey's work is that of an artist. Her readings are of the highest grade." She reads at Bedding church Friday night.

"Trained Birds," at the Comique. This picture, which is a reproduction of a famous vaudeville act, is of a clean cut, high class type of entertainment and is cleverness of the numerous birds who perform all sort of amazing tricks. The birds are taught to do tricks almost human in intelligence. Every detail of performance clearly reproduced upon the screen. Also one other feature, "Tantamount," a widely discussed topic, even in circles where motion pictures seldom are noticed makes this picture a notable achievement.

The Bennett-Moulton company arrived in town last evening from Fitchburg, Mass., where they did an immense business last week. The company this season contains all the old favorites, with several new members. The play this evening will be "The College Girl," one of the strongest plays ever seen here at popular prices. A strong and most commendable feature with this company this season is the excellent vaudeville acts, which consist of six big acts. Changed at each performance. Ladies' 15c tickets are for tonight performance only and must be secured at the advanced sale.

### WILKESDALE'S RECORD.

Barre Getting Famous for Horses as Well as for Granite.

Wilkesdale, the young trotting stallion from the Smith stock farm, was shipped home from Greenfield, Mass., last week, after taking part in four trotting classes, winning two races, getting second in one and third in another. One of the races was a five-heat race and the other a six-heat race. Wilkesdale took a record of 2:22 1/4, and showed that he is a game race-horse. He was third separately in a race in 2:20 1/4, and showed his ability of taking a record of 2:18 or better, and the owners predict a record for Wilkesdale much faster within two years, if nothing happens to him.

Wilkesdale is a brown stallion, five years old, of Morgan build, very stylish, and weighs about 1,350 pounds. He has taken first premiums everywhere shown, including first premium at the Dominion exhibition, Sherbrooke, P. Q., as a three-year-old. Wilkesdale was brought from Lexington, Ky., by the Smith Stock farm by Walter Cox, when two years old. Wilkesdale is by Ondale, 2:23 1/4, by Onward, by George Wilkes; his sire has about 16 in the list, and all trotters. Wilkesdale's dam is Fanny Black, 2:27; Fanny Black is now the dam of four in the list; also the dam of a two-year-old that has worked this season in 2:27 1/4. Fanny Black is by Beteron, sire of 17, including Hatty G., 2:04 1/4, by George Wilkes.

Wilkesdale is the fastest trotting stallion ever owned and trained in Barre when he received his record of 2:22 1/4. The Smith Stock farm also sold the two fastest pacers ever trained in this section. Al Ray, 2:13 1/4, and Lady Lauren, 2:13 1/4.

### Gifts to Rev. and Miss Mitchell.

The London, Ont., Advertiser of October 1 had the following, which will be of interest to Barre friends of the parties mentioned.

"Rev. Thomas Mitchell, B. A., was presented with a handsome pulpit gown last night at a social held in the New St. James' church. There was a large attendance of the members of the congregation, and Mr. Jas. Gray, who was chairman, introduced a program consisting of musical numbers by Misses McLeod, Straith and Mrs. P. W. Watt, and addresses by Rev. Mr. Lochead, Sheriff Cameron, Mr. W. W. Gammage, and Rev. Archibald Stewart.

"Professor Patterson of the Western university read an address to Mr. Mitchell, and the presentation of the gown was made by Mr. James Kilgour. Mrs. Fanny and Mrs. Frogett, representing the Ladies' Aid society of the church, placed the gown on Mr. Mitchell's shoulders.

"Mr. Mitchell made a brief address, in which he thanked his congregation for their kindness towards him.

"During the evening Miss Mitchell, sister of the pastor, was presented with a purse of gold, and accompanying it was an address from the Ladies' Aid society. Refreshments were served, and the remainder of the evening was spent very pleasantly in collecting autographs and friendly social chat."

## The Daylight Store

Dr. Denton's Sleeping Garments

—and—

Munsing Union Suits

are two kinds that after you have used you would not care to do without.

They are just as necessary as it is to save money, and have a desirable kind. Users of these two garments are the ones that recommend them to their friends. You will find that the advance on wool has not interfered with the quality of these goods. They are fully up to standard.

DR. DENTON

### Munsing Underwear

As we put special stress onto the advertising of our Munsing Union Suits, some get the idea that they only make Union Suits.

Munsing Underwear is made for ladies in pants and vests, both natural and white, at 50c each. Made in wool, both grey and white, at \$1.00 each, and these are cut different, from all other kinds. They fit and wear.

Munsing Underwear for children in wool vests and pants and at the price, 50c, there is nothing on the market that can touch them.

Munsing Union Suits with deep seats for small girls or boys in heavy cotton for winter, 50c. For winter in wool at \$1.00 per suit. Extra sizes in boys made the same as for men. Extra sizes in misses made the same as ladies. These you cannot always find.

As a special sale we are to sell all that we have in Grey Union Suits that were \$1.50, now at 98c each.

### Munsing Underwear

Our white Fleeced Ladies' Union Suits at \$1.00 are entirely different from all other makes. Come half open front and button across front, Oneida style.

Munsing Union Suits come in the better wool grades and for quality are not nearly as expensive. For instance, a \$3.00 Munsing Union Suit in lamb's wool made by other people would cost you from \$3.75 to \$4.00 each.

### Bennington Underwear

Bennington Underwear years ago proved its superiority. It is not as neat a garment to look at as a Munsing, but has wear and warm that keep its customers from year to year.

Bennington Underwear for children in wool from 30c up, according to size. Ladies' same grade at \$1.00 per single piece.

### Dr. Denton's Sleeping Garments

For several seasons it was hard for us to get our orders filled on this Sleeping Garment. Now we have all sizes in both grades. That is, they are made in two qualities and in all ages from six months up to 12 years.

Small size, that is, the first four sizes, come as low as 50c each, and the larger sizes only a small advance each set of sizes.

This is the only garment that is an absolute protection to children that are restless and kick about in their sleep.

Some mothers find it almost necessary to sleep with one eye open unless their children are protected by a Dr. Denton Sleeping Garment.

You want to buy the best that your money will buy. Take our advice this time and try from the above kinds.

Four styles of our \$4.00 Regal Shoes just opened up and Rubbers to fit them all. Ask to see the Rubber with leather protected heel.
